

Litter

Litter is unsightly, attracts vermin, blocks drains and is a nuisance.

What we do

- Our staff service over 1,500 litter bins across Camden.
- Our team of 76 dedicated street sweepers work from 6am to 10pm.
- Our officers patrol regularly and issue fines to anyone caught littering.

What you can do

- See it? Report it.
- Download the Love Clean Streets app for free and report litter when you see it.

Run a litter project

We can provide bags and litter pickers to allow you to safely pick up litter and sort out recyclables. Visit camden.gov.uk/litterpick to book your kit and arrange collection.

Visit litteraction.org.uk and keepbritaintidy.org for more tips and ideas.
